Ashling

Ashling Irish Cream combines two of Ireland's most beloved traditions, distilling Irish whiskey and dairy farming. Ashling Irish Cream is produced using only the finest ingredients of fresh cream, aged Irish whiskey and Irish spirits. Golden Vale is famous among the Irish for being a farmers paradise; as fertile as it is beautiful. Golden Vale is covered with rich green grasslands for the cows to graze on. It is in the heartland of Ireland's Golden Vale region that the Silver Pail Dairy is located, the source of Ashling's fresh cream.

IRISH CREAM

Ashling's Irish Cream is a superior tasting Irish cream liqueur- made from Silver Pail Dairy's freshest cream, robust aged Irish whiskey and fine Irish spirits.

A silky smooth taste with hints of chocolate and coffee followed by the gentle spice of the Irish whiskey that warms your taste buds and then gives way to a soft, velvety finish. Ashling Irish Cream is perfect to enhance your favorite coffee or to just enjoy on the rocks.

WHITE CHOCOLATE

Ashling's Irish Cream White Chocolate is a superior tasting Irish cream liqueur- made from Silver Pail Dairy's freshest cream, robust aged Irish whiskey and fine Irish spirits. Flavors of rich white chocolate harmoniously blend with warm spice of the Irish whiskey, with a smooth and velvety finish. This is pure decadence in a bottle, mix with your favorite vodka or just pour on the rocks and enjoy.
