

# releaf

MADE WITH **Organically Grown Grapes**

*vegan friendly*

**Vineyard Notes:** Releaf is sourced from Porterville Winery (Chenin Blanc) and Org de Roc (Red Blend), organic farms in the Swartland region of the Western Cape, South Africa. For more than 24 years, no chemicals have been used on the estate, making it an ideal spot for growing organic grapes.

**Winemaking Notes:** Both wines are 100% hand-harvested. Each varietal in the Red is fermented separately in stainless steel tanks and aged separately in French Oak for 8 months while the Chenin Blanc is fermented in stainless steel tanks and aged for 10 days to develop richness. Releaf is bottled in partially recycled glass; recycled paper labels and printed with sustainable inks.

**Tasting Notes:**

**Cab/Merlot/Shiraz:** Rich flavors and aromas of blackberry, cherry and vanilla spice. Medium-to-full bodied with a long lingering finish. The perfect wine for a braai (backyard barbecue) the cornerstone of Swartland cuisine; or a vegetarian sarmie (sandwich), roasts or matured cheeses.

**Chenin Blanc:** Offers lively aromas of tropical fruits and melon. Crisp citrus and tropical fruit flavors that are enjoyable by itself or paired with salads and seafood.

**Social “releaf”:** A portion of the proceeds are dedicated to upgrading the Releaf Crèche “nursery” and Day Care Facility and providing a scholarship to a student from the farming community.

<b>Grape Varietal:</b>	50% Cabernet Sauvignon, 30% Merlot, & 20% Shiraz	Chenin Blanc
